Britt Adkins, Asst. to Director ❖ 509-526-6833 ❖ BDAkins@wwps.org

Dear Parent/Guardian:

Prior to registration for participation in interscholastic athletic activities a student must undergo a thorough medical examination and be approved for interscholastic competition by a medical authority licensed to perform a physical examination. Physical examinations are good for twenty four (24) months from the date of the examination.

The physical form will not be accepted for athletic clearance unless the “Health History” section is completed and signed by the parent/guardian.

For legal and liability reasons, no student will be allowed to register without a current physical.

Sincerely,

Jack Mehn, Director of Athletics
Walla Walla School District
