# Support Staff Spotlight

NAME: Brent Bieloh

POSITION: Custodian

School: Blue Ridge Elementary

YEARS IN DISTRICT: 21 years

Q. What do you enjoy most about your job?

A. I love being able to interact with the students. I appreciate I'm treated as one of the staff and not as a "janitor." We have a lot of students with many challenges in their lives and I try to make their day a little happier and easier.

Q. What are some of the duties you perform?

A. All of my responsibilities must be accomplished with the safety of the staff and students in mind. I strive to provide a clean teaching and learning environment for the staff and students.

I perform grounds maintenance work and supervise the other custodial staff. I also support the school zone safety program by putting out the safety equipment in crosswalks and high traffic areas.

Q. How does your job require you to keep a flexible schedule?

A. My day is not always predictable because many times I need to respond to the special needs of a staff member or an emergency. I also prepare the building for meetings and activities which take place outside of the school day and on weekends.

Q. Why is it important for you to develop positive relationships?

A. I strive to maintain a professional and friendly relationship with staff, students and the public. I communicate with the principal on a daily basis. I think the staff will tell you that I am always ready to help them even if it is after my shift time.
