

Walla Walla Citizens for Schools

August 15, 2011

Dear WWPS Staff,

On behalf of the children we all serve, we thank you for your work on their behalf. Walla Walla Public Schools is a great place for our children and it is due to your efforts ... thank you.

We are writing today to ask for your help. Our current maintenance and operations levy will expire in 2013 and the district will be running a replacement levy in the winter of 2012. As you know, the financing of a levy or bond campaign is very expensive and this is where you come in.

In his previous district, Superintendent Mick Miller made payroll deduction available for levy/bond contributions. We are doing so in Walla Walla as well. This is an easy way for staff to contribute to Walla Walla Citizens for Schools. When a small contribution, say \$1 or \$2 per month, is combined with hundreds of other staff member donations it adds up very quickly.

Those of us signing this letter are asking that you please consider a small monthly contribution. We know that great work is being done on a daily basis in our district and we would like to publicize this work. Please help us do so with a contribution.

It is easy to sign up ... simply complete the form on the back of this letter and send it to the district business office via school district mail. Your contributions will start with the October 2011 pay period and will run through August 2012.

Please do consider a donation and, again, thank you!
