Policy No. 6250

CELLULAR TELEPHONES

The board authorizes the issuance of cellular telephones to staff designated by the superintendent for business telephone calls at those times when designated staff do not have regular telephone service readily available. At the time a designated employee accepts a district cellular telephone, he or she shall provide written assurance of financial responsibility for any personal or non-business calls made on the cellular telephone. If there is reasonable evidence that a cellular telephone is being used for personal calls appropriate action will be taken. Notifying family members of changes in travel plans and emergency situations is not considered personal use.

The superintendent shall develop procedures for the use of cellular telephones.
