

Walla Walla Public Schools

ADMINISTRATIVE PROCEDURE

No. P-6800

SAFETY, OPERATIONS AND MAINTENANCE OF SCHOOL PROPERTY

Playground Safety

Any playground equipment to be installed will meet the standards in the current Public Playground Handbook for Safety provided by the U.S. Consumer Product Safety Commission.

Chemical and Laboratory Safety

The district follows the standards and regulations established in the Material Safety Data Sheets (MSDS) for the safe and proper use of chemicals.

Issued: February 2013
