

# Walla Walla Public Schools

## Delivering on Our Promise

All Bond Projects- On Schedule  
and On Budget

### WA-HI

#### Ag Science Teacher Peggy Payne

##### *New Ag Science Classrooms*

"Our ag science classrooms/labs provide students adequate space and access to modern technology, which has resulted in increased hands-on activities and increased student participation."

#### Band Director Andrew Ueckert

##### *New Music Building*

"The new music facility allows us to set up for multiple ensembles. The large practice rooms are perfect for sectionals during class. We have plenty of storage, lockers for instruments, very nice bathrooms and huge windows with amazing natural light."

#### Math Teacher Scott Magnaghi

##### *Blue Devil Building*

"It's wonderful to be back in person with students in the renovated Blue Devil building. It has improved technology and learning spaces for kids. Tremendous hats off to our community for all their support!"

#### PE Teacher Marc Yonts

##### *New Fitness Addition*

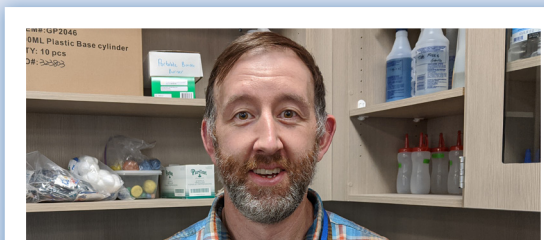

"It looks amazing! Everything has been upgraded and is really functional. We'll get more kids interested in strength training and conditioning and hopefully that leads to an active lifestyle."

#### Art Teacher Julie Laufenburg

##### *New Art Classroom*

"It's an amazing experience to be teaching in a room specifically dedicated to artmaking. My students also see it, know it and feel it."

#### Science Teacher Clayton Hudiburg

##### *New Science Building*

"I'm so happy to have a space where I can seamlessly transition back and forth from traditional classroom instruction to lab work. Everything is in one place, with room to do it and a facility that supports 21st Century learning."

### PIONEER MIDDLE SCHOOL

#### Principal Kris Duncan

##### *New Main Entrance*

"The new main entrance at Pioneer will provide one secure access point to the building, ensuring staff and students are safe. The new entrance will also provide a welcoming atmosphere where students, families and guests are greeted with a friendly face."

#### PE Teacher Donna Morris

##### *Renovated 1950's Gym and New Locker Rooms*

"We will be able to expand our curriculum, increase expectations and rigor and provide improved ADA access."

### LINCOLN HIGH SCHOOL

#### Teacher Riki Wauchek

##### *New Drama Addition*

"It's going to be so nice to have our own theater for practices and performances, while preserving our historic school for generations to come."

Promises Made, Promises Kept
