

Frequently Asked Questions- Nutritional Services

1. How much does it cost for meals?

To find the current prices for breakfast, lunch and milk you can go [here](#).

2. How do I pay for meals? Can my child just bring in money?

You can pay for meals through our online payment system [here](#). You will need your Skyward username and password. Please contact the students' school for login information and instructions.

Students are also able to bring in cash or check during the morning breakfast time, to the cafeteria, to add money to their accounts.

Parents/Guardians can also deposit money to the students meal account at the school office using credit or debit card.

3. What if I am struggling to pay for meals?

Walla Walla Public Schools participates in the [USDA Free / Reduced Meal Priced Program](#) which is based on family income. You may apply for Free/Reduced Meals by completing an online application through Skyward Family Access [here](#).

A printable of Free / Reduced Meal Application can be found [here](#). When completed turn in application to any school office, District Office, or Nutrition Services office, 1174 Entley St., Walla Walla.

4. Where can I find the lunch menu?

School meals meet USDA nutritional standards. Focusing on appropriate calories and portions for each age group, whole grains, fruits and vegetable sub groups, fats, and sodiums.

Menus can be located on all of the school's websites under Quick Links or you can locate them [here](#).

If you have questions about healthy foods contact Pam Milleson, Nutrition Services Director at (509) 526-1870 or email pmilleson@wwps.org

5. If my child runs out of lunch money, will they have to go without food?

Students are allowed to charge meals. It is the responsibility of the parent/guardian to pay these balances as soon as possible. Low and negative meal account balance information is emailed to families on a regular basis.

6. Are children allowed to share food?

For safety and sanitation reasons sharing food is not allowed.

7. How are food allergies dealt with during meal time?

Nutrition Services works with school nurses to keep allergy students safe. Reasonable accommodations in the form of food substitutions will be made with medical professionals' written request. Individual

plans are made to meet the students' needs. Contact your student's school nurse and/or Pam Milleson, Nutrition Services Director at (509) 526-1870 or email pmilleson@wwps.org.

8. **Who do I contact if I have more questions?**

You can call the Nutrition Services office at (509) 527-3016. Se habla español.
