

# How do I sign into Classroom from my Chromebook?

(You must have an active Internet connection to sign in.)

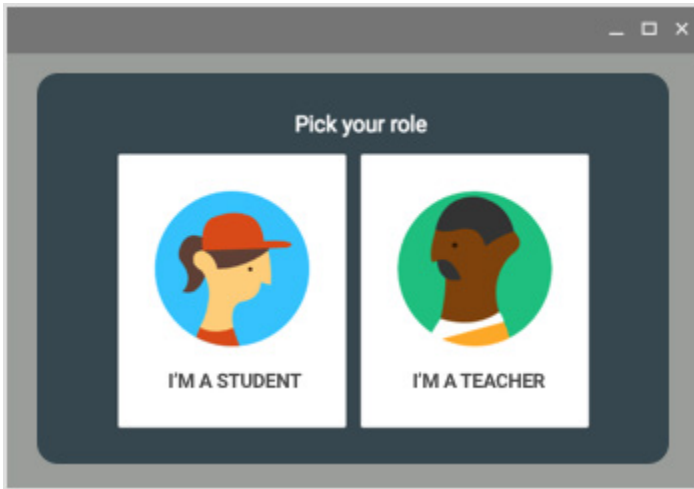

1. Once logged into your Chromebook with your @wwps.org account. Go to [classroom.google.com](https://classroom.google.com) to launch Google Classroom. You may also click the Classroom icon from the Chrome app bar:

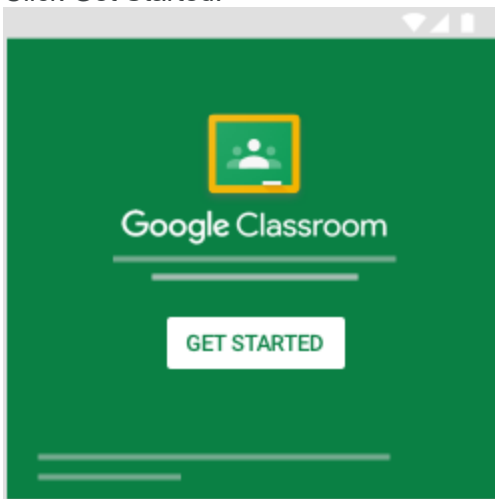

2. If there is a welcome message, read it and click Accept.

3. If this is the first time you're logging into Classroom, click **I'm A Student** or **I'm A Teacher**.

4. Click Get Started.
