## #5 FAQ

### I'm logged into my SchoolLinks account, now what?

A: The first thing you should do after you log into your account is to check your to-do list. Your to-do list can be found on your dashboard and will be the first page that opens after logging in. If you are all caught up with your to-dos, explore some of the features listed above!

### What if I'm not sure about my future?

A: SchoolLinks is here to help you every step of the way. If you are not sure about what you want to do after high school, just start exploring! Take the first step and start researching careers and colleges and learn what you may or may not want. If you change your mind, you can update your SchoolLinks lists and goals at any point.

### I've explored but I still have questions. What should I do?

A: If you still have questions after doing your own research, you can submit your questions to be answered by mentors. From the career page, click into Mentor Videos to submit your questions. Professionals with real experience in that career can respond and even answer with a selfie video!

### Can my parents/guardian get an account?

A: Guardian accounts are first activated by district staff. If your district has guardian accounts set up, you can get a code for your guardian to sign up. To review directions for getting that claim code, [click here](#) or visit our Help Center.

### I'm still confused ....

A: If you still have questions about using your SchoolLinks account, you can send a message to your counselor or teacher right from your account! Click on the  in the upper right corner to take you to the Message Center.
