If no settlement has been reached within the five (5) days referred to in the preceding subsection, and the Association believes the grievance to be valid, a written statement of grievance shall be submitted to the District Board of Directors within ten (10) workdays. The grievant shall have the right to appear before the Board in support of the grievance. The Association shall also have the right to have a representative present. The Board shall render its decision within ten (10) workdays of the meeting held to consider the grievance. The Board also retains the right to waive Level III if it so desires, in which case the grievance shall proceed to Level IV.

Level IV

A. Binding Arbitration.

If the grievant is not satisfied with the disposition of his or her grievance at Level III, or if no decision has been rendered within ten (10) workdays after he or she has met with the Board, he or she may, within five (5) workdays after a decision by the Board, or fifteen (15) workdays after he or she has met with the Board, whichever is sooner, request in writing that the Association submit his or her grievance to arbitration. If the Association determines that the grievance involves the misapplication of any of the provisions of this Agreement, it may, by written notice to the Superintendent, within fifteen (15) workdays after receipt of the request from the aggrieved person, submit the grievance to binding arbitration. If any question arises as to arbitrability, such question will first be ruled upon by the arbitrator selected to hear the dispute.

Within ten (10) workdays after written notice of submission to arbitration, the Superintendent, or his/her designee, and the Association, will attempt to agree upon a mutually acceptable arbitrator and to obtain a commitment from such arbitrator to serve. If the parties are unable to agree upon an arbitrator, or to obtain such a commitment within the ten (10) workday period, a mutual request for the list of arbitrators may be made to the American Arbitration Association, or a unilateral request, by either party, to PERC for a panel of arbitrators. The parties will be bound by the Voluntary Rules and Procedures of the American Arbitration Association for the selection. After selection of the arbitrator, the Expedited Labor Arbitration Rules apply.

The decision of the arbitrator will be submitted to the Board and the Association and will be final and binding upon the parties. The costs for services of the arbitrator, including per diem expenses, if any, and his or her travel and subsistence expenses, and the cost of any hearing room will be borne equally by the Board and the Association. All other costs will be borne by the party incurring them.

B. Jurisdiction of the Arbitrator.

The arbitrator shall have no power to alter, add to, or subtract from the terms of this Agreement. The arbitrator shall confine his or her inquiry and decision to the specific area

1 2	of the Agreement as cited in the grievance form. The arbitrator shall not substitute his knowledge for the expressed provisions of the contract under question.
