ATTENDANCE AREAS AND REGISTRATION
Students may register mid-August to mid-June at their attendance area school. The provided map shows district boundaries detailing attendance areas based on street address. Students living within the attendance boundaries are given preference. If students in an attendance area fill the school to its capacity, open enrollment and transfer requests from outside the district into the school may be denied.

Dual Language Registration
Edison Elementary is a dual language school. Enrollment is primarily based on special placement not necessarily on historic attendance area. Contact Edison Elementary for registration details.
