**Glen Mitchell** - Walla Walla High School Band Instructor

**Graduates of Distinction Reception**

Friday, June 4

2 - 3 p.m. - Social Hour

3 - 4 p.m. - Program

District Office Board Room

**School Board Meeting Recap • June 1****KTEL awarded Wa-Hi sports radio contract**

Wa-Hi sports fans will need to adjust their radio dials next school year to catch all their favorite Blue Devil action, as KTEL 1490 AM was recently awarded the district's three year radio services broadcast contract.

A committee consisting of community leaders, a coach, parents and district administrators made the final selection.

In a report to the school board last night, Communications Director **Mark Higgins** said the committee was impressed with KTEL's approach to covering local news and weather and felt sports was a natural fit.

"It's was part of Capps Broadcast Group's (*KTEL owner*) business plan when they came to Walla Walla a year ago," Higgins said. "They have successfully been covering high school sports at all their other radio stations markets, so we're excited to have them on board in Walla Walla."

News and Sports Director **Andrew Holt** will be the voice of the Blue Devils during the radio broadcasts. Holt has an extensive sports broadcasting background, including calling UCLA basketball games on his college radio station.

KTEL has also committed to reporting on all Wa-Hi varsity and underclassmen sports during their broadcasts, as well as conducting more coaches interviews and player spotlights.

KTEL will cover Wa-Hi football home and away games and Wa-Hi Girls and Boys basketball away games. KTEL will also broadcast playoff action for these sports.

**In other School Board meeting business...****Board members:**

- approved May 18, 2004 board meeting minutes; and Personnel report, schedule of school board meetings July-December 2004: 7/20, 8/24, 9/7, 9/21, 10/5, 10/19, 11/2, 11/16, 12/14.
- approved curriculum for a high school leadership class - *Building Leaders for Life*. This course will be offered next school year to a hand scheduled group of students as a CTE credit.
- approved curriculum for basic English course for grades 9-12. This course is designed for students who need intensive reading and language instruction to improve reading comprehension, writing and analyzing skills.
- approved a request from Wa-Hi's Shared Leadership Committee (SLC) to allow a one-year extension of the Wa-Hi Graduation requirements revision. Wa-Hi Science Department Chair and Shared Leadership Committee member Rob Ahrens said he will lead the process next for review, revision and recommendation for the new graduation requirements. Board members also approved a request from the SLC to remove the math proficiency test as a graduation requirement. Ahrens said the math portion of 10th grade Washington Assessment of Student Learning made this requirement out of date.

Our Core Values are more than mere words; they're our business!

Quality

Integrity

Accountability

Respect
