RE: Student Accident Insurance

David Borth, from McDonald Zaring Insurance, has notified us that the rates for the 2017-2018 student accident plans from Myers-Stevens & Toohey & Co., Inc. will remain the same as the 2016-2017 school year. The coverage provided also remains at the same level.

For many years we have worked with Myers-Stevens & Toohey & Co., Inc. for our student accident plans. I am very satisfied with its services to students and am content to keep it as the accident insurance to be made available to students of the district and their families.

I recommend that we use Myers-Stevens & Toohey & Co., Inc. as our student accident insurance provider for 2017-2018. Please let me know if you have any questions.
