WHAT TO EXPECT DURING CONSTRUCTION:

Student safety and learning are our top priorities

- » Condensed 15-month construction timeline to minimize impact to students and staff
- » Clear separation between students and all construction activity
- » Phased renovation ensures fine arts, sciences, music and other programs are not impacted during construction
- » Additional fencing, signage and safety staff
- » Coordination of construction activities to minimize noise impact
- » Additional parent/family information and communication planned for spring and early fall 2020
