STUDENTS ON GOVERNING BOARDS

The Walla Walla Public School Board recognizes the unique and valuable insight students possess on the direction of the district and decisions made on their behalf. In alignment with the district's beliefs, the Board is committed to maximizing student voice when possible. The school district will strive to annually seat two student representatives. Student representatives will communicate with other district students and receive their input and perspectives.

Student representatives on the board are expected to make every effort to attend all board meetings. The student members will contribute to board discussion by providing student insight and perspective, serve as a liaison for the associated student body, and report to students about the work of the board and district activities. Student representatives will not attend executive sessions, make or second motions, vote, or hold board offices.
