

Walla Walla Public Schools

ADMINISTRATIVE PROCEDURE

No. P-3417

CATHETERIZATION

The State Department of Health has established the following rules:

- A. The student's medical file shall contain a written request from the parents/guardians for the clean, intermittent catheterization of the student.
- B. The student's medical file shall contain a current written order for clean, intermittent catheterization from the student's physician and shall include written instruction for the procedure. The order shall be reviewed and/or revised each school year
- C. The student's medical file shall contain written permission from the parents/guardians for the performance of the clean, intermittent catheterization procedure.
- D. The service shall be offered to all disabled students and may be offered to the nondisabled students, at the discretion of the district.
- E. A licensed registered nurse shall develop instructions specific for the needs of the student. These shall be updated each school year.

Issued: September 2003
